

CYCLE-UP

DOUBLE-LAYER BICYCLE RACKS

CYCLEUP BICYCLE RACKS

Bicycle parking on two levels is a field that requires special attention. Based on developments in the market and wishes of the users, we have developed a double-layer bicycle rack that matches contemporary trends and is flexible for the future.

VARIANTS

ADDITIONAL TIE-DOWN DEVICE

An additional securing device offers optimum theft prevention for the CycleUp tier system. The securing brackets are placed in an accessible place, which also increases the ease of use of the additional security. The securing brackets are available in different versions and can be attached to both the upper and lower places.

CHARGING POINTS FOR E-BIKES

By equipping charging points, you offer cyclists an efficient and safe way to park and charge their bikes. Charging points can be used for bikes on the lower levels.

SPECIFICATIONS

Model	Number of bicycle spots	Center-to-center distance	Width
CycleUp - enkelzijdig	4	400 mm	1070 mm
CycleUp - enkelzijdig	8	400 mm	1870 mm
CycleUp - dubbelzijdig	8	400 mm	1005 mm
CycleUp - dubbelzijdig	16	400 mm	1805 mm

*Other possible center-to-center dimensions are 375 mm, 500 mm, 550 mm or 600 mm

CERTIFICATION

The CycleUp has been awarded the FietsParKeur quality mark. This means that the CycleUp meets the requirements set by the FietsParKeur foundation to guarantee the quality of the bicycle racks.

AVAILABLE COLOURS

The CycleUp is standard in galvanized steel, but can be delivered in any RAL colour if required.

VERSIONS

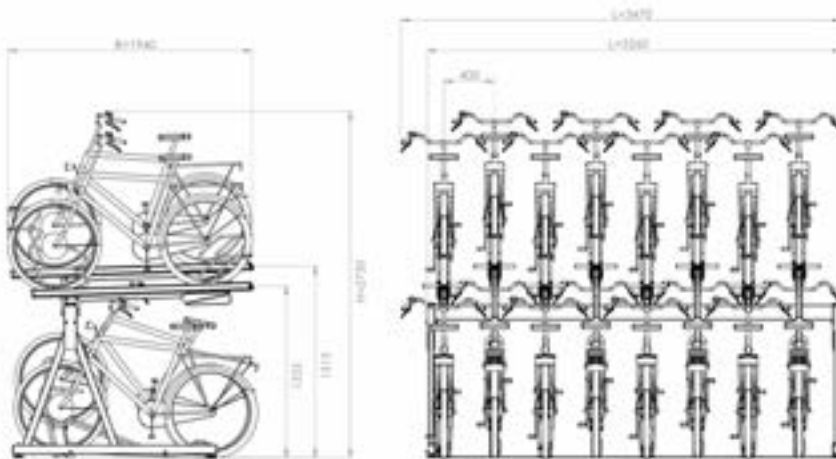

The CycleUp is available single-sided and double-sided.

MEASUREMENTS

CycleUp single-sided

Below is a dimension drawing of a single-sided CycleUp with a centre-to-centre distance of 40 cm (wider is possible). All variants of the CycleUp can be expanded to the desired number of bicycle spaces.

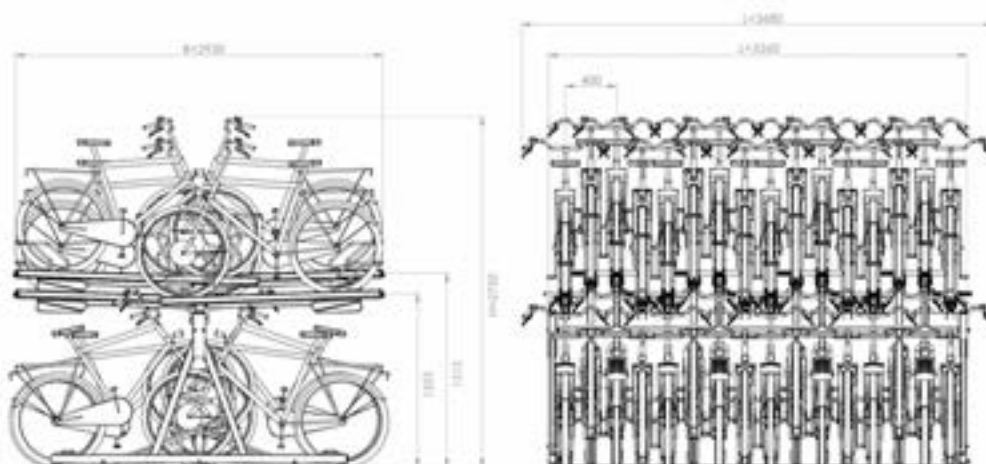

Dimensions (l x w x h)	Number of bicycle spaces
3260 x 1940 x 2750	16

CycleUp double-sided

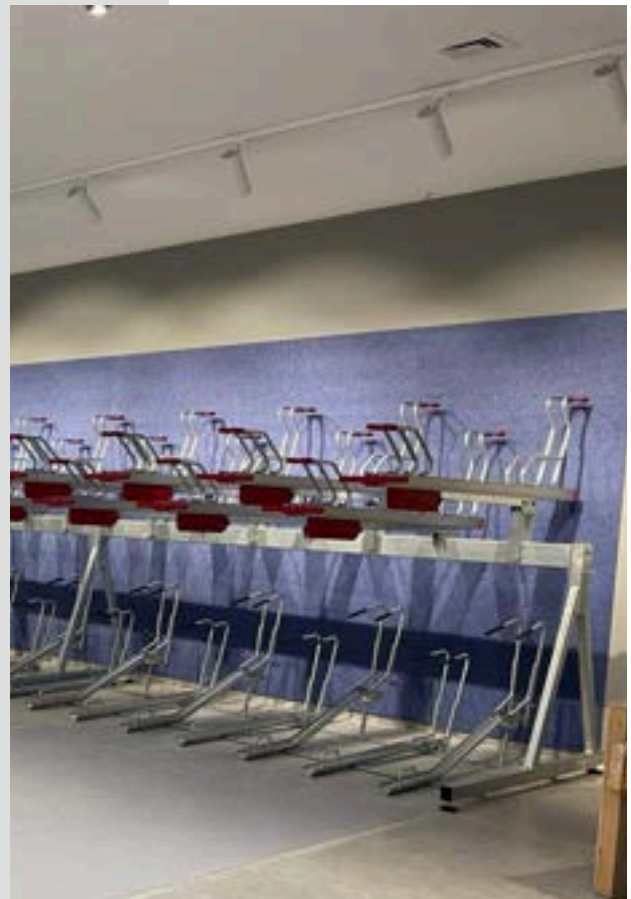

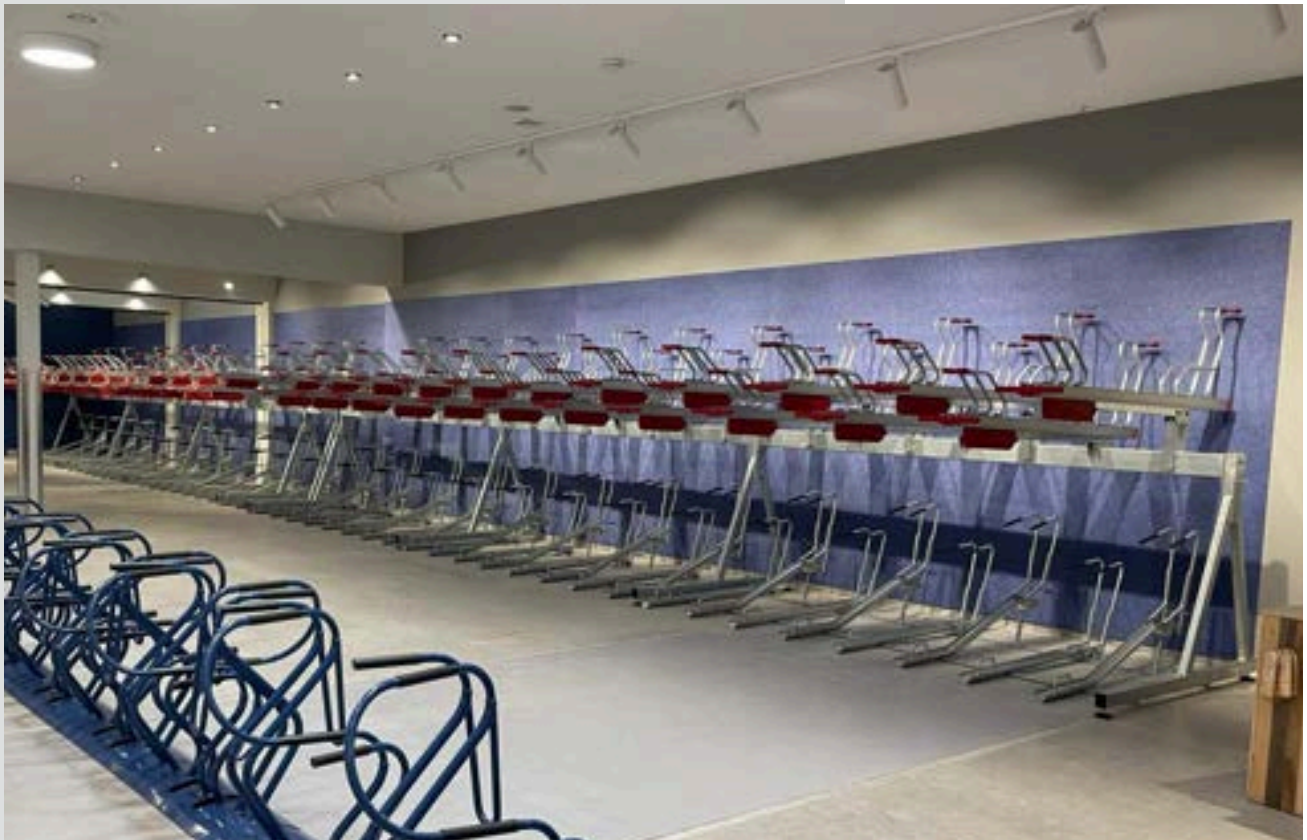

Below is a dimensional drawing of a double-sided CycleUp with a center-to-center distance of 40 cm (wider possible).

Dimensions (l x w x h)	Number of bicycle spaces
3260 x 2930 x 2750	32
