BICYCLE PARKING

MAMBA BICYCLE RACK

The Mamba offers bicycle parking at a high-quality level in combination with design and practical application. The system has a striking tying device, which gives it a reliable appearance and is very suitable for public areas.

VARIANTS

MAMBA SOLO

Available in high and low models.
Mounting options are: 45° or 90°,
on concrete base, sunk in
concrete and above ground level.
